This tournament is set to be another "Classic" tournament and this year we have introduced a Pelagic category, with some great prizes up for grabs. We have also reduced the entry fee for junior anglers from \$275 to \$100 and hope to see more juniors take part.

The Champion Billfish Team will accrue points from the tagging of billfish and no other species will contribute to the overall billfish pointscore.

Anglers can expect 3 full days of competition, a presentation night dinner, shirts and giveaways.

Note: Every team is responsible for submitting their own scores. Captures are to be submitted by the allocated times each night via mobile or satellite phone. Scores will then be posted on the Darwin Game Fishing Club Facebook page each night.

All competitors compete entirely at their own risk and the Darwin Game Fishing Club will not be held responsible for any loss or damage sustained by any competitors to their own person and/or effects. All skippers are expected to assess prevailing weather conditions to ensure they do not expose their team or vessel to any foreseen safety concerns.
